The background features a city skyline with various skyscrapers. A curved, golden path leads from the bottom left towards the right, adorned with circular icons of European flags. The flags, from left to right, are: Norway, Czech Republic, Hungary, Finland, Italy, Spain, Sweden, United Kingdom, Netherlands, Denmark, France, Belgium, Germany, and Poland. To the right of the path is the Krawcow logo, which consists of a crown above a stylized 'K' and 'W' monogram, flanked by laurel branches. Below the logo, the company name 'KRAWCOW' is written in a large, bold, serif font, with the website address 'www.krawcow.eu' in a smaller, sans-serif font below it.

We are a well-established and trustworthy company with strong emphasis on quality and customer's service. We only employ time-served tradesmen that have specific skills in all areas required to complete the job to a high standard. Our success is built on meeting customer's needs and expectations, because since the beginning of the company's existence, we have been paying special attention to the high quality of the offered products and provided services. This dedication to customer care underscores everything we do and has seen the company grow organically to become a substantial award-winning organisation offering a diverse range of services, but one that still retains the traditional values of a family business. We believe in courtesy, honesty, and providing unbiased information to our customers.

Company policy

The most important for us is place our customers needs first and work closely with them to achieve the optimum results. We have a policy of constant product development and improvement. We offer a wide range of products, because we believe that prosperity is founded on the satisfaction and respect for customers. Our goods are produced in accordance with national and European norms and standards. We sell wholesale and retail in Poland as well as abroad. We can provide our own transport and deliver products to any place.

KRAWCOW
